TOTAL FOR GEORGIA RUNOFF:	40743	

GREAT GRAND TOTAL:

126519

LT wrote 1000 letters, mostly to OH, with VoteFwd.org in the Gen. Election. SLT wrote 840, in the General Election.
 LT wrote 100 to GA in the GA US Senate race for Jan 5, 2021; and SLT also did 100. Hence grand total all family letters = 2040.

LT co-founded the International Development Professionals for Biden/Harris, with Glen Wright.
 Grew from 2 to 809 members in 2.5 months. Provided input into Biden campaign re USAID and other int'l dev policies
 LT posted over 400 items on FB in the Gen Election, mostly in FL and OH, on TV, newspaper, Dem and Rep Party sites
 LT posted over 150 items on FB in the GA US Senate race, on GA TV, GA newspapers and GA Repub Party

LT participated in a Biden Nat Capital Region attempt to create a Biden YouTube Channel.

Got it up, but it did not get much traction. Developed two Policy Detective briefings on Covid

LT joined and participated a bit in Biden "Truth Brigade" that posted truthful statements about Biden vs. Trump policies. Not very active, tho.

LT wrote an anti-Trump campaign song, "Covid Prison Blues" and performed it via Zoom 2x

LT donated \$18,889 to Dem candidates, including Biden, US Senate races, and others, and mailing expenses for VoteFwd, in 2020;
this is 32 times more than given in any previous typical year!
